Project: Bauhaus - Networking Ideas and Practice

Culture programme (2007–2013), cooperation projects (Strand 1.2.1), Call 2013.

Bauhaus – Networking Ideas and Practice ([Bauhaus](#)) is international research and exhibition project which involves four cultural institutions from four European countries - Austria, Bosnia and Herzegovina, Croatia, and Slovenia. Bauhaus will thoroughly explore and present the activities and interrelations of artists from South-East Europe, who were schooled at the renowned international school of architecture, design, and visual art – Bauhaus and its influences on art practice of the fifties of the 20th century in South-East Europe.
